

OUR SINCERE THANKS TO ALL DONORS

Through your generosity, Nanaimo Travellers Lodge Society (NTLS)- Eden Gardens can continue to provide enhanced dementia care. Eden Gardens, formerly Nanaimo Travellers Lodge is our new non-profit care home on Northfield Road, that is run by Nanaimo Travellers Lodge Society, providing compassionate dementia care in Nanaimo since 1979. Currently home to 130 Elders, with Day Programs and Community Bathing that assist an additional 160 people in our community. Our new home was designed specifically for dementia care, with neighborhoods that encourage friends, families, and pets to visit and interact.

Eden Gardens provides a very engaged, interactive lifestyle, following the Eden Alternative Philosophy of Care. The core belief of the Eden Alternative is that aging should be a continued stage of development and growth, rather than a period of decline. Elders need close and continued contact with plants, animals and children. These relationships provide young and old alike with a pathway to a life worth living.

Our home is a very special place to live and work.

Your support is invaluable, as it plays a vital role in the delivery of services to Elders living with dementia, and breaking down the barriers that confront them each and every day. Work is ongoing for our fundraising efforts for our Annual Campaign, and you can help.
