

March 16, 2020

To all our Families and Companions of Residents at Eden Gardens:

**Effective Today Monday March 16th No Visitors, or companions
until further notice.**

Family members and visitors should not enter the home unless their loved one is critically ill, and with the knowledge and pre-approval of the Executive Director. If they do come in they are to visit only with their loved one, no communal visits.

We would also ask for your assistance in implementing the plan and ensuring that you understand and abide by any restrictions for the safety of our elders.

We will provide updates as the need arises.

Regular and reliable updates on the virus can be found on any of these sites:
