

OUR SINCERE THANKS TO ALL DONORS

Through your generosity, Nanaimo Travellers Lodge can continue to provide enhanced dementia care, purchase equipment and fund capital projects (**our new building on Northfield, currently under construction**), providing our expansion into Eden Gardens. Eden Gardens will increase our capacity by an additional 40 beds, thereby providing communities for 130 Elders, and day program access to 160 Elders with dementia from the surrounding area.

With our ground breaking in the summer of 2015, and an anticipated move in date of May 2017, we invite you to call for an appointment to view the **building design, floor plans, and site plans** for our new Eden Gardens. Your support is invaluable, as it plays a vital role in the delivery of services to Elders living with dementia, and breaking down the barriers that confront them each and every day.

Work is about to begin on our fundraising efforts for our Capital Building Project, which will coincide with our annual campaign, and you can help. To donate, please contact sandy.parise@nantralodge.bc.ca or call us at 250-760-2646.
